NOTES:

- The meeting dates may be subject to change due to scheduling issues.
- Submissions made after the deadline may not be reviewed until the next IRB meeting, please plan accordingly (submit **at least 30 days** prior to expiration). Extensions cannot be granted if IRB approval lapses (expires). *If this occurs the study and all associated activities must STOP unless necessary for safety reasons, which the IRB must be notified of immediately. The study will require review as a **NEW** study, should a lapse occur.*
- ALL NEW studies must submit for RCHSD project initiation review **prior to** or concurrently with IRB submission. Please refer to the following website: <http://intranet.rchsd.org/departments/directory/research/forms/index.htm>.
- The deadlines and meeting dates listed are for the RCHSD IRB. The UCSD IRB meeting dates are available at <https://irb.ucsd.edu/dates.shtml>. **All UCSD salaried faculty members** are required to submit to the UCSD IRB, even if the study is being done at RCHSD and/or with RCHSD patients.
- HIPAA review is performed by the RCHSD IRB, serving as the Privacy Board, for case reports, decedent research and activities preparatory to research (feasibility, developing hypothesis, etc., when doing so accesses, uses or discloses health information). These requests are not subject to the IRB deadlines and are reviewed as received.
