Dear Parent/Caregiver:

The enclosed brochure explains how to prepare for your appointment at the UCSD Developmental-Behavioral Pediatrics Clinic. Please read the entire brochure **FIRST**, as it may answer your questions or concerns. The following steps outline the process to obtain an appointment:

1 Primary Care Physician (PCP) or referring provider faxes a referral to 858-496-9257.

The form is included in this packet for you to give to your PCP to complete, however check with your PCP to see if they have already started the referral process. The referral form from your PCP must include the patient's diagnosis code(s).

2 Insurance Authorization – For an appointment to be scheduled for your consultation, we must have authorization by your insurance or your agreement to self-pay. You will be responsible for any co-pay, deductible or self-payment at the time of your visit.

3 Child Registration Form and Questionnaires

Ask your child's teacher (or teachers, if they have multiple teachers) to complete the **School Questionnaire**. If your child is not in school, a babysitter, daycare provider, camp counselor, tutor, etc. may fill out the school questionnaire instead. **Parents must complete the New patient forms and Parent Questionnaire within two weeks of scheduling your appointment.**

All questionnaires must be complete and received by the Developmental Behavioral Pediatrics office within 2 weeks of scheduling your appointment to avoid cancellation or rescheduling.
